Board of Selectmen Special Meeting Minutes September 23, 2020 Meeting Agenda 5 PM – Milton Town Offices

WORKSHOP SESSION

2021 Budget Review

The Select Board discussed amendments to the operating budgets with DPW Director Patrick Smith, Fire Chief Nicholas Marique and Cemetery Trustee John Katwick.

It was explained that with the budget cuts that were made objective of getting below last year's adopted budget (which was the default budget) was being defeated by the types of cuts that were being made. Most of them were personnel reductions in public works that would:

- 1. Cut services that should not be cut (Transfer Station hours, ability to plow, etc.);
- 2. removed When positions are cut, then the cost of those positions must be from the default budget, as well.

There was a discussion with John Katwick about what the Cemetery Trustees charge for grave sites and how the money is divided between investments so that interest may be used for cemetery maintenance for both regular maintenance and perpetual care. It was determined that even though DPW had removed \$5,000 for cemetery maintenance, there would not be in impact, since the trustees reimburse the town for expenses related to cemetery maintenance.

The amendments made in the budget were possible because of the collaboration between Chief Krauss, DPW Director Patrick Smith and Chief Marigue.

A motion was made by Andrew Rawson to accept the adjustments made to the budget, which was seconded by Matthew Morrill. The vote was unanimous (3-0-0). to the attachments.

ADJOURNMENT

A motion to adjourn was made by Matthew Morrill and seconded by Andrew Rawson. The vote was unanimous (3-0-0).
