Total					\$2,575,000.00	\$143,175.00		

***The 1989 Hahn and the 1994 Spartan will be replaced with a single pumper/tanker this is the reasoning for increased cost over the other Engines.**

***2009 Crown Vic has been taken out of service and will be replaced with the next police cruiser that comes off line.**

^Ambulances are historically funded via the ambulance revolving account but this may need to be reconsidered.
