## **Around Town**

\*\*\*\*This is for ALL the Residents of Milton/Milton Mills\*\*\*\*

A message from SAU64 - MILTON SD

In 2020, Article 13 was passed by Milton voters. It stated the following: "To see if the voters of the Milton School District shall direct the Milton School Board to enter into talks with neighboring School Districts to determine the feasibility of an Area Agreement according to RSA 195-a for the purpose of sending our high school and middle school students out of district."

With the passage of Article 13, the Middle/High School Exploration Committee was formed to investigate the feasibility of sending students out of the district. The Committee is gathering information from multiple sources, including community members, to determine community priorities. A survey was developed to give Milton residents an opportunity to share their thoughts and priorities.

Click on the link below to access this survey. Please submit your response by Friday, May 21.

### ***We're looking to grow our Girl Scout troop***

*This year we've:*

*Investigated taking care of animals and ourselves*

*Taken steps to help our planet and community through community service projects*

*Designed and decorated a fun cookie chute to participate in Girl Scouts cookie season safely*

*Used cookie season funds to purchase and donate books and supplies to our classrooms.*

*Explored robotics, bridges and engineering. Built and donated hands free sanitizing stations, and built self propelled robot toys.*

*Enjoyed a snow tubing, painting, and ice cream reward for reaching our cookie goal.*

**Financial aid is available for many families, and our girls use troop funds earned during cookie season for activities and supplies resulting in very little family out of pocket cost.**

*A message from Shay Ulmer. The group currently meets on Thursdays in the Nute Library Community Room. For more information on times, please contact the Library.*
