Roadside Clean-Up Day and Open House
Saturday, April 19th, 2014 9AM- NOON (Rain or Shine)

Who is invited: Residents, business owners and local officials

Event details: NH the Beautiful Litter Free program to collectively pick up the litter on our town roadways and promote recycling.

How to get involved:

Sign in at 9:00 AM at the Clean-up Headquarters at the Public Works garage (803 White Mountain Highway) where roads will be assigned to volunteers and event bags will be distributed for cleanup to begin at 9:30 AM. The Public Works Department will pick up the blue bags. Volunteers are invited back to the Public Works garage for a cookout at NOON.

Refreshments will be provided for volunteers.

Refreshments have been generously donated by our local businesses. Please call the Milton Public Works Department at 652-9891 if you want to participate so we can plan for the refreshments.

Milton Earth Day Cleanup set for April 26

Do you remember how great the town looked last year after the Earth Day cleanup? Are you ready to make it happen again? Join your neighbors in Milton on Saturday, April 26 to pick up road litter, beautify the town and build community pride in celebration of Earth Day. Cleanup is planned along the White Mountain Highway and Applebee Road from the Farm Museum to Milton Mills.

Both roads are designated NH Hampshire Scenic and Cultural Byways and part of the Branch River Valley Trail.

Gather at the NH Farm Museum, 1305 White Mountain Highway (Rte 125), between 9:30 and 9:45 am for supplies and instructions.

Celebrate afterwards with a potluck lunch starting around noon at the Farm Museum.

Please wear brightly colored clothing for good visibility while walking the roadsides and bring work gloves for picking up trash. Event organizers will assist with planning and safety considerations and will provide bags, road safety cones, and pickup service for separated bags of recyclables, trash, and aluminum cans. Children 12 or younger must be accompanied by an adult. Your potluck contribution may be cold items or a hot crockpot dish. Although registration is not required, it would be helpful to know you're coming; please call Kari Lygren, Educational Coordinator of Moose Mountain Regional Greenways at (603) 978-7125 or email info@mmrg.info.

This Milton Earth Day Cleanup is sponsored by Moose Mountains Regional Greenways (www.mmrg.info), the NH Farm Museum (farmmuseum.org), and Branch Hill Farm (www.branchhillfarm.org) and supported by other Milton Town Departments and organizations.

Milton Fire and Rescue

Welcome SPRING!

Now, as I type this article, we are expecting snow to-night but according to the calendar, Spring has arrived. With spring though, also comes Milton Fire-Rescue's concern for people and animals falling through the ice on Milton Three Ponds. Please be VERY careful if you choose to go out on the ice. Fire-fighters never consider any ice to be safe and this time of year proves especially dangerous with the warming temperatures and the beauty of the frozen pond. If you see someone or someone's pet go through the ice, immediately call 911 and start the emergency response as quickly as possible. Milton Fire-Rescue trains for these responses and we have the equipment to do so safely.

One piece of equipment used after someone has been rescued from the chilly waters is a cardiac monitor. Milton has high tech monitors in the ambulances but the Town of Milton also has simpler and very effective "AED's" throughout the town. AED's are Automatic External Defibrillators. These AED's will help not only in a water related cardiac arrest; they assist with any cardiac arrest.

Milton has eleven AEDs in the town located in various places. If you ever find yourself with someone who is laying unresponsive, call 911 and the 911 operator should be able to talk you through performing CPR and be able to dispatch the location of an AED. The AEDs in Milton are registered with the State of New Hampshire. In Milton, AEDs are located at: both the lower and upper floors of the Emma Ramsey Center, the Milton Recreation Beach's Gate House, Milton Mills Free Public Library, Nute High/Middle School (by the main office), Milton Elementary School (by the nurse's office), Mi-Te-Jo Campground, Index Packaging, Short Ridge Academy and there are two more with the Milton Police Cruisers.

These AEDs are ready, available and are very easy to use. No one should hesitate to use an AED if the need arises. There is an "on" button and then verbal commands to help you use the machine. If someone does know how to perform CPR, that is a wonderful asset to increase the chances of a positive outcome. Over the last few years, CPR classes have been offered at various times to help community members learn basic CPR skills. If you would like to learn how to perform CPR, Milton Fire-Rescue has two instructors who are willing to teach a course which typically runs three hours. It is called the AHA Friends and Family CPR. A class will be coordinated near the end of April. Please call Milton Fire-Rescue at 603-652-4201 to add your name to the class list.

**Brent Curlee
Troop #155
Earns the Rank
Of
Eagle Scout**

On Sunday, March 30th, Boy Scout Troop #155 member Brent Curlee was awarded the highest honor awarded by the Boy Scouts of America, his award for achieving the Rank of Eagle Scout.

Many of Brent's family and friends and fellow members of his troop attended a reception in his honor at the local Moose Lodge #1298. His Scout Master, David Barca was beaming with pride as he presented Brent with his award.

Brent chose to manage a trail rejuvenation project behind the NH Farm Museum. As project manager, Brent gathered between 25-30 volunteers to clear brush and take down invading trees to rejuvenate this lost trail. The group also rebuilt a nearby bridge that had fallen into disrepair, to complete his project. Brent raised the money for his project by selling food at last year's Milton Summer Kick-Off, along with other projects.

Brent is the son of Richard and Laurel Curlee. Brent will be attending Keene State College next year, majoring in Occupational Health and Safety.

On behalf of the Milton Free Public Library, The Trustees and the Friends of the Milton Free Public Library I would like to say Thank you to all of you who have continued to support the Milton Free Public Library with your affirmative vote to fund the repairs for the Library.

There is a lot of work to be done to continue to make this building a community resource to be shared by all.

We are always searching for volunteers to help in any way you can, whether it be by attending meetings or joining the Friends of the Milton Free Public Library to assist with their fundraising efforts and programs.

The Friends of the Milton Free Public Library is a 501(c)(3) non-profit organization whose mission is to assist the Milton Free Public Library in its community cultural programs, to conduct fund raising ventures - proceeds to be donated to the Library for community enrichment, to participate in charitable, non-profit community projects for the betterment of the Milton Community at large, without any limitation because of race, gender, or national origin. Donations to the Friends are welcome to help with the renovations and various other projects. Donations are tax deductible. To find out how you can join the "Friends" feel free to contact the Milton Free Public Library at: 603-473-8535, or email the Library at mfpl@metrocast.net . The Milton Free Public Library has a web page and it can be viewed at <http://miltonfreepubliclibrary.org/> .

Just because you can not attend a meeting, does not mean you can't help. There are many activities that are available and volunteers are always needed and welcomed.

Again, thanks for your continued support of the Milton Free Public Library and its programs.

And don't forget we have thousands of "E-books", courtesy of the State of NH Library, which can be downloaded for free for all Library Patrons.

Monthly Meeting
Thursday, April 10, 2014 @ 7:00
All are Welcome!

April is here and the snow is finally melting, Spring is waiting so show her stuff! The Women's Club is turning 100 this month! Happy Birthday to all the women who have nurtured this Town and furthered this organization over the pass one hundred years. Please help us celebrate this century of dedication to the Town of Milton.

Our meeting will be April 10, 2014 at the Community Church on Steeple Street in Milton at 7 p.m. We will celebrate this occasion by introducing all past presidents and members who choose to attend. Martha Sheehy is a Historian and will speak about the Club over the years.

We welcome all women who would like to join our group to come and be a part of the celebration. The year is filled with fun and joy for those who belong. Looking to get out more, meet new people and have a lot of fun, then plan to join us and make up your own mind.

The Hearts are coming down now that the bankens are shrinking and we can get to them and the Easter Eggs are going up for all to enjoy.

In May we will have a NH Humanities Program on May 9th. More about the speaker next month. Enjoy Spring and the warm weather whenever it arrives.

April
Events for
Soldiers
Helpers!

Sunday, April 13 - 237th Freedom Salute -- the 237th came home around the holidays and they are having a celebration now for their return. They are expecting around 500 people and there will be several organizations (including Soldiers Helpers) who will be serving refreshments and drinks. We need to be at the Southern New Hampshire University in Manchester, NH at approximately 11:15 am to begin set-up. If you can help that day, please email me and let me know. We also need cookies and brownies or bar cookies for that day, if anyone is willing to bake. Any questions, please email me. Thank you very much for your help.

We are still collecting small cards with well wishes on them for our small "care kits" that we are making -- we ask that you write a little note of cheer on a piece of paper and maybe put stickers or draw hearts or whatever on them and just write a little note thanking the soldiers or xoxo's -- anything cheerful. We need these before April 15. The pieces of paper should be no larger than 2"x3". Thank you again for all your help and God Bless. THANK YOU!

**End 68 Hours
of Hunger
Needs
Space for their
Program!**

Looking for space in Milton

The Milton chapter of the End 68 Hours of Hunger program is looking for the donation of a warehouse space in Milton where food can be stored and packed. The End 68 Hours of Hunger program provides food to children who might otherwise go hungry between the free lunch they receive on Friday and the free breakfast they receive on Monday morning when they return to school.

We are looking for 400-600 sq. ft. of easily accessible space in a well-lit, heated, secure area. The space would have to be accessible 24/7 (or be highly flexible for deliveries and packing teams), and preferably on ground level. If you have such a space you'd be willing to donate to the program, please call Jim Ricker at 603-781-0037.

THE STORY OF ANGELO LOLI

Angelo Loli of Milton, NH is currently being treated at Maine Medical center for a very serious AVM condition. He has already spent 4 weeks in the special care unit and has a very long road ahead of him. With his family by his side and everyone sending happy thoughts and prayers our best friend and brother will be back laughing with us soon. Angelo's condition is very serious and can be treated but takes extreme caution since Angelo had no symptoms of anything being wrong and nobody ever knew of his critical health condition.

He was born with this malformation and as he grew up the malformation also grew. The day he went to school he had a headache for only 10 minutes before he started loosing his senses.

Before we all knew, he was rushed to Frisbie Memorial Hospital. When he arrived the staff knew Angelo's condition was too serious for the care they could provide him so he was flown to Maine Medical Center in Portland Maine. Within the hour, we found out that he had a seizure at school. Thanks to the fast actions of the Milton EMTs and Frisbie Paramedics my brother received immediate attention.

Although a lot did go wrong a lot of things went right and thankfully we had good weather the day of the incident. Angelo got the care he needed by the amazing people at Maine Medical Center. He has been in a medically induced coma for several weeks now to reduce the swelling in his head and is finally waking up.

Unfortunately, he is not himself yet. My brother is a loving young man and has given so much of himself to help others. He is a tutor for younger children to help them with math and helps the Special Education students at Nute High School with athletics. Anyone that knows Angelo knows how truly amazing he is.

This is a very hard time for him and the family we ask that you keep Angelo in your thoughts and prayers. With his family by his side and everyone sending happy thoughts and prayers our best friend and brother will be back to himself laughing with all of us very soon.

Thank you,
The Loli family

At the school

Milton Elementary School is turning 100 years old!

Plans are underway to celebrate this momentous event. The committee planning this celebration is currently seeking memorabilia, or any information that families might have that would tie in to the celebration.

This event is an open community event, and a special invitation is going out to all past faculty and students who would enjoy reminiscing about their past experiences at our beloved school. Some of the events that are being planned are a booth set up to record peoples stories and memories of days spent at the school, and a living history room where artifacts of years gone by are going to be on display to the public. Other events planned are a display of artwork and the current third grade class will be hosting a play.

If you would like to become involved in the celebration or have memorabilia that you would be willing to lend the school for this event. Please contact Principal, Doug Kilmister at 652-4539.
