**9th Annual
Branch River Paddle
Saturday, May 25, 2013
10:00 am – 2:00 pm
Milton, NH**

For the 9th successive year, Moose Mountains Regional Greenways (MMRG) and Branch Hill Farm/Carl Siemon Family Charitable Trust (CSFCT) will team up to offer canoe and kayak enthusiasts the opportunity to enjoy a group paddle of the pristine Branch River in Milton Mills, NH. The event will take place 10 am - 2 pm on Saturday, May 25. It features a 4-1/2 scenic mile trip along the conserved banks of the Branch River to the upper end of Milton Three Ponds. A picnic lunch will be provided at the paddle destination on Branch Hill Farm property.

Paddlers should bring their own kayaks or canoes and wear US Coast Guard approved personal flotation devices. Transportation for participants and their boats will be provided back to the parking/boat put-in site. Children should be 10 years or older and accompanied by an adult.

MMRG has worked to create conservation land in the Moose Mountains Region for over 12 years, serving the towns of Brookfield, Farmington, Middleton, Milton, New Durham, Wakefield and Wolfeboro. For more information on MMRG, to see a list of upcoming events or articles and photos on past events, go to www.mmrg.info. Branch Hill Farm/CSFCT is a private operating foundation whose mission is to *purchase and protect land, to produce quality timber products, and to educate people about sound forestry practices and conservation. For more information on CSFCT, visit www.branchhillfarm.org.*

Milton Fire and Rescue

May Report

Milton Fire-Rescue manned, and Milton Public Safety Association supplied refreshments to the Milton Rabies Clinic in April. While the public brought their dogs and cats to get shots on a very chilly and windy day at the Milton Public Works shed, members of the fire department were on hand to provide hotdogs to those who stood in line. Some were there before the vaccinations began and waited for thirty or more minutes. Appreciation goes out to those who supported our organization and those who chose to protect their pets from a fatal disease.

April 20th was the day that Milton hosted an Earth Day celebration. Milton Fire-Rescue members participated in this event too. Roadside clean up is necessary every year and being a part of this community event was indeed needed and appreciated. A BIG thank-you goes out to all those who came to beautify our lovely town.

This month, Milton Public Safety Association is putting together a calendar raffle. We are seeking donations which will be placed on each day during the month of August. Then daily, during that month, a drawing will be held and the winner will receive the "prize of the day". Currently, donations have been received from: Moose Mountain, Green Street Embroidery, Studley's Florist, Cameron's Home and Garden Center, Six Flags Friends, Three Ponds Tavern, Mi-Te-Jo Campground, Super Gloss, Milton Mills Mechanics, DiPrizio GMC, Blue Seal, Coyote Creek Outfitters and a few "Friends of Milton Fire" who have chosen to remain anonymous. If you too would like to show your support for our fundraising event, please feel free to stop by the fire station or give us a call at: 603-652-4201. Kaitlin, Tiffany or Robin will be honored to accept your donation.

Once the calendar is completed, they will be for sale from any Milton Fire-Rescue department member. In addition, they may be purchased directly at the fire station. All proceeds will support associated costs of the proposed fire station.

May has typically been the month for teaching CPR. This is also a good time to renew if you have had a class in the past. Summer activities near the water have a history of needing CPR. The Loyal Order of Moose has generously offered their space and their equipment to host classes. Most recently Milton Fire-Rescue has renewed the Police department members. The Milton elementary school teachers will be renewing in early May and if you too would like to learn or re-new CPR, please call Robin at 603-652-4201 to have your name added to the list of Milton residents ready to learn.

As I write this article for the gazette, Milton Fire-Rescue just returned from a brush/woods fire on Felker Drive. Spring was late arriving but as the vegetation starts to grow and draws the ground water into its roots, the possibility of woods and forest fires becomes very dangerous. Please be extremely careful with all flames and campfires. Also, notify emergency dispatch by calling 911 as soon as you detect abnormal smoke or flames. Early interventions may save property or even a life. Members of Milton Fire-Rescue thank you for your cooperation as we try to protect our town and its citizens.

Spring also brings out the bicycles and motorcycles. Please remember to use caution while driving and keep our roads safe for everyone to use. To date, Milton Fire-Rescue has responded to 218 calls. Of those, 155 have been medical calls.

Monthly Meeting
Thursday, May 9, 2013 @ 7:00

May will soon be here and hopefully the warm weather will decide to stick around. It has been a tough Spring to work in the yard. Way to cold even for New Hampshire.

The Women's Club has been busy coming up with new ideas to put a little spark of life into the Town of Milton. The Easter Eggs are coming down and they will be replaced by American flags to celebrate our wonderful country and our military. First we will honor our veterans on Memorial day, our flag on Flag Day (June 14) and then Independence Day, July 4th.

Later in the month of May we will be decorating the town with flowers like we did last year. If there is any business that we have not contacted that is interested please give me a call and we will discuss it. The flowers need to be ordered by May 14. The flowers will be planted the following week depending on the weather, but hopefully before Memorial Day.

Our next meeting will be May 9 and our speaker will be speaking on The White Mountains and other entertaining tidbits. In June we will be going out to dinner and that will end our meetings until September. A reminder to those who have signed up to attend the Board of Selectmen's meetings.

2013 Boys Life Reading Contest

SAY 'YES' TO READING

Enter the 2013 Boys' Life Reading Contest Write a one-page report titled "The Best Book I Read This Year" and enter it in the Boys' Life 2013 "Say Yes to Reading!" contest.

The book can be fiction or nonfiction. But the report has to be in your own words — 500 words tops. Enter in one of these three age categories:

- o 8 years old and younger
- o 9 and 10 years old
- o 11 years old and older

First-place winners in each age category will receive a \$100 gift certificate good for any product in the Boy Scouts official retail catalog.

Second-place winners will receive a \$75 gift certificate, and third-place winners a \$50 certificate.

Everyone who enters will get a free patch like the one on this page.

(And, yes, the patch is a temporary insignia, so it can be worn on the Boy Scout uniform shirt, on the right pocket. Proudly display it there or anywhere!) In coming years, you'll have the opportunity to earn different patches. The contest is open to all Boys' Life readers. Be sure to include your name, address, age and grade in school on the entry.

For more information on this contest please visit <http://boyslife.org> and click on "contests"

Saturday, June 8th & Sunday, June 9th

The Milton Recreation Department will be hosting a two-day speed boat competition put on by the South Shore Outboard Association and an Antique Boat Show hosted by the Antique & Classic Boat Society and the Antique Outboard Motor Club. We will also be hosting our Second annual Antique Car & Custom Rod Show on Sunday, June 9th.

Many organizations will be joining this two day event this year, including both the Milton Cub Scout Pack #155 and Milton Boy Scout Troop #155, The Town House Stewardship Committee, Teneriffe Sports Club, Friends of the Milton Free Public Library, the Damon House @ Nute, Nute High Business Club, & End 68 Hours of Hunger just to name a few!

The recreation commission has put out an open invitation to all the individual organizations that would like to participate in this two day extravaganza! If you would like to help plan this event or would like to participate in this event, please contact us. If you are a vendor or a business/group that would like to join us for this event please contact the recreation department as soon as possible so we can plan for your participation. If you would like additional information or would like to help, please contact the recreation department @ 603-652-4501 ext. 8. We are also in need of help with the organization of the car show. If you are a car enthusiast and would like to participate in this event, please contact us to let us know!

The Teneriffe Sports Club

The Teneriffe Sports Club is a non-profit organization made up of community members and parents. Their mission is to help support athletics in the community of Milton at all levels, youth all the way through high school. **They have monthly meetings on the third Tuesday of the month at 6:00pm at the High School.** The club was created three summers ago. It actually started out as a small group of community members that wanted to focus on youth programs, providing equipment and support to the younger kids. Meanwhile, the middle/high school had started a booster club. Both clubs were just starting out and had small numbers. The clubs decided to merge together and target athletics in the community as a whole. It became the Teneriffe Sports Club, which was an organization that served the community many years ago.

Some of the things the club has done in the past include running the concession stands at volleyball, soccer, softball and basketball games. Hosting a Wiffleball tournament, basketball tournament, 5K Race and honoring an athlete of the month at the varsity level. We have also been running a volleyball clinic for the last two years. The club has also supported many teams by funding their pre-season jamborees or tournaments.

The club is always fundraising and looking for more members!

We are also looking for any donations for our concessions stands which will be starting at the beginning of the school year.

You can find more information on our website <https://sites.google.com/site/teneriffesportsclub> or on Facebook you can join our group Teneriffe Sports Club.

Community Picks up Milton Roadsides

A town wide cleanup of litter from Milton roads in celebration of Earth Day attracted close to eighty residents, young and old, to join in an effort to beautify the town. Moose Mountains Regional Greenways' Education Coordinator Kari Lygren, who spearheaded the event planning, called the day 'a huge success'. She added, "It was wonderful to see so many groups, kids and people of all ages working together. What a great community effort!"

The roads targeted for cleanup were NH Scenic and Cultural byways, six miles along the White Mountain Highway and three miles of Applebee Road in Milton Mills. Although a few short sections were missed, passersby will notice marked improvement in the appearance of both roads, making them a pleasure to travel. In addition, some residents chose to pick up litter along streets where they live, Bolan Road, Evergreen Valley Road, Hare Road and Teneriffe Road.

Following a couple hours of cleanup, volunteers gathered at the NH Farm Museum for a group photo and community potluck lunch. A variety of crockpot hot dishes, cold salads, desserts and hot dogs satisfied the hungry crowd.

Whenever some food slipped from a plate, the wandering Farm Museum chickens participated in the Earth Day cleanup!

In planning the event, MMRG was joined by the New Hampshire Farm Museum, the Milton Recreation Department, Milton Fire & Rescue, Boy Scout Troop 155, and Branch Hill Farm. The Milton Conservation Commission, Milton Public Works, Cub Scout Pack 155 and the Milton Home Schoolers also helped out, as did numerous Milton residents, including two Select Board members and the new town administrator. Thanks go to Milton Hardware which donated gloves and bags for recyclables, to Milton Fire & Rescue which donated gloves and the use of their fire trucks, to Hannafords which donated paper products, and to Milton Recreation which donated hot dogs, popcorn, and lemonade. Branch Hill Farm is enrolled in the NH the Beautiful program which lent road signs, trash grabbers and orange pinnies and donated blue bags for trash.

Moose Mountains Regional Greenways is a non-profit land conservation organization, working since 2000 to conserve the natural resources of the Moose Mountains Region. For more information on MMRG and for a calendar of upcoming outreach events, go to www.mmrg.info.
