Motion by Chairman Jacobs to accept monthly expenses. Second by Sarah Rogers. Motion carried.

Playground Update:

On June 1, 2015 the Board of Selectmen approved the request for \$65,000.00 to be used from the Recreation Capital Reserve Fund for a Municipal Playground. Motion made by Sarah Rogers to enter into a contract with Ultiplay Parks & Playgrounds, Inc for a quoted price of \$68,129.88, with \$65,000.00 coming out of the Capital Reserve Fund and the remainder coming from the Recreation Revolving Fund. The plan will also include a 30'x 60' basketball court with funding coming out of the Recreation Revolving Fund." Second by Andy Rawson. Motion carried. The building of the Playground will occur during the weekend of July 17, 2015 and we're looking for community-wide participation to ensure its completion. The date and time for a "playground planning meeting" will be determined for those interested in helping out. Once the playground is built there will be a dedication ceremony in honor of Jim Culverhouse, whom the playground is being dedicated to.

Any other Business

Apparently it's become common practice for the beach to be closed when the schools are having their "beach days". This was the case yesterday and today with several complaints from the public as to why they cannot use the property since they have purchased a beach pass. Stefanie Berry made motion to keep beach open and allow public access during Milton schools' "beach days". Second by Andy Rawson. Motion carried.

The next meeting of the Recreation Commission will be Thursday July 1, 2015 at 6:00pm.

MOTION by Sarah Rogers to adjourn. Second by Stefanie Berry. All in favor, motion carried. The meeting adjourned at 7:25 pm.

Respectfully Submitted,

Sarah Rogers
