

Milton Conservation Commission Stewardship Walk

8:30-11 am on Saturday, Sept 10

Join us for a stewardship walk around Jones Brook Park, a Milton town-owned conservation parcel off White Mountain Highway near the Village of Union. Our goal is to walk the boundaries of this scenic 20-acre property, so we'll bushwhack along the Jones Brook and Branch River along opposite borders and scout for old flagging and town markers in between. If time allows, we'll also assess new trail possibilities. Twelve participants max. Poison ivy likely in some areas. Please let us know you're coming; email mcc@miltonnh-us.com and we'll send parking directions.
