

**Milton Conservation Commission**

**Site Walk on Mason Road Parcel**

**Tax Map 25/Lot 18 on Mason Road**

**@ 8:30 am on Saturday, October 29**

The Milton Conservation Commission (MCC) will hold a public site walk on a privately-owned 44-acre parcel of land on Mason Rd starting at 8:30 am on Saturday October 29. The property is the subject of a conservation easement project undertaken by Moose Mountains Regional Greenways at the request of the landowner. The purpose of the walk is for Commissioners and the public to have an opportunity to see the land in advance of the Public Hearing on November 2, at which a potential donation to the project from the MCC's Conservation Fund will be discussed. For directions and to let us know you're coming, please email the MCC at [mcc@miltonnh-us.com](mailto:mcc@miltonnh-us.com).
