Other Business: Per the 12/28/2022 meeting there is still a voucher on hold. A letter has been written to the Charitable Trust Unit for clarification on the 2011 Education of Special Needs Children Voucher in question. Once we receive a response we will release the voucher as recommend. While in the processes of figuring out the voucher it was discovered that the original warrant article was written incorrectly calling it a Capital Reserve Fund and an Expendable Trust Fund. We will be waiting on clarification from the Charitable Trust Unit on that as well.

Karen Brown received the Year-End-Packet from Three Bearings Point and all Trustee's signed the 2023 Investment Policy.
